

School Year 2010/2011

Dear Fellow Carderock Parents,

To maintain the level of computer instruction our children receive, the CSES Educational Foundation annually turns to parents for support. Carderock is unique in the quality of its computer lab and instruction, but we need your support to maintain that level.

Due to the ongoing support of our parent community, every child at Carderock receives specialized computer instruction in a fully equipped computer lab. Our instructor, Bonnie Phelan, is a parent volunteer who receives a stipend from the Foundation. In addition to her volunteer work during the school day, Bonnie conducts before- and after-school workshops for students on developing computer skills and for teachers on curriculum development. The teachers and our children find this instruction invaluable.

We are asking you to please consider donating \$150 – \$250 per child to pay for this unique program. (If you were to send your child to computer classes outside of school for an entire year, you would pay far more.) Of course, if you cannot provide a donation in this range at this time, we appreciate any support you can provide.

The Foundation was started in 2001, by Carderock parents, to assist the monetary needs of the school due to tough budget constraints from the County. To this end, the Foundation is also in the process of raising funds to help provide significant upgrades in the ongoing renovation. Please visit our website for more information on the Foundation at www.csesef.org.

Please see the donation form on back and consider contributing today so that we can continue to provide high-quality computer instruction to our children.

Contributions should be sent to school via backpack mail or mailed to:

The Carderock Springs Elementary School Educational Foundation was started by Carderock parents in 2001 to assist the monetary needs of the school due to tough budget constraints from the County. With the generous support of Carderock families and friends, the Foundation has continued to support Carderock for eight straight years. www.csesef.org

Thank you so very much for your support!
